Victorian State Election – Ballarat's Lower House candidates speak

With talk of an election since early in the year it is hard to believe it is almost here. On the 29th November it will be your chance to vote for the candidate/party you think will do the most for Ballarat and Victoria in general.

Bisnet is proud to partner with Commerce Ballarat for this pre-election panel where all candidates have been invited to make a short presentation on why they should be elected to represent this great region.

This election sees candidates nominating from the following parties so far:
Australian Labor Party
Liberal Party
The Greens
The Nationals

Hosted by Commerce Ballarat Board member Paul Stephens, this is your chance to be involved.

Make sure you are as informed as you can be about what the candidates stand for and how they will benefit Ballarat.
