

Playgrounds

Every child needs to play. That's why we've built a new playground area in collaboration with Touched By Olivia. The playground is located near Coles and it is designed to support inclusive play for everyone.

Parents' Room and Quiet Room

We've added a brand new Quiet Room to our five-star Parents' Room to provide a soothing place for customers with autism, dementia and other neuro-developmental challenges, offering a welcome reprise from the busy centre. The Parents' Room has to be seen to be believed! Excellent facilities and an appealing atmosphere make shopping with your baby that much easier.

Accessibility

We pride ourselves on being accessible for people of all abilities. We have three accessible restrooms throughout the Centre, one in the Casual Dining precinct and two located in the central amenities corridor.

One of these is an Adult Change Place that features an adult sized change table and a full coverage ceiling hoist.

We also provide free use of electric scooters and wheelchairs, which can be booked through Centre Management on 5339 5131.

Convenient Parking

Parking is easy and convenient with over 1,200 free all day car parks available, including disabled parking spaces, parents with prams and our new Shade Sails over 200 car parks.

We're here to help you

Stockland Gift Cards

A Stockland Gift Card is the perfect gift and be used at any participating retailer in any Stockland Shopping Centre. Gift Cards are available from Centre Management and are now valid for three years.

How can we help you?

The Centre Management office is located in the main amenities area in the centre of the shopping centre. They can assist with all centre services, including free hire of motorised scooters and wheelchairs, gift card sales, lost property and general enquiries.

Free WiFi

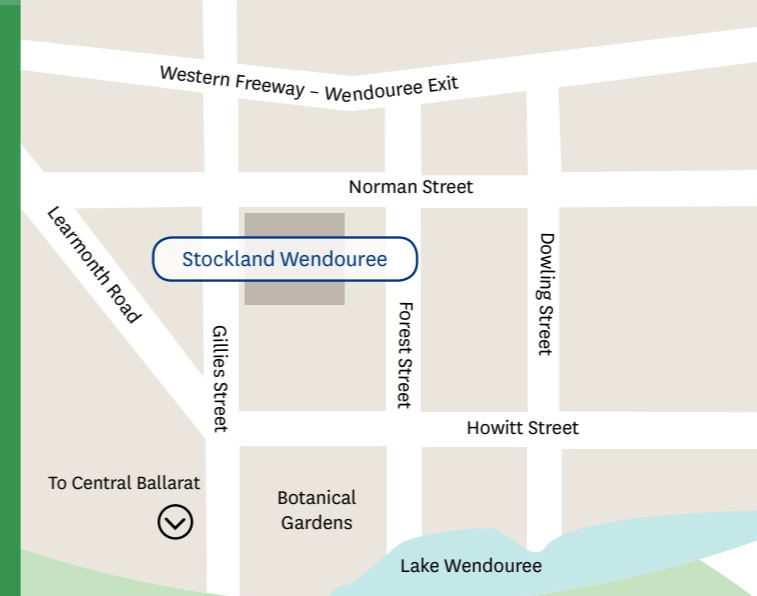

Stockland Wendouree offers a free WiFi service to customers with compatible smartphones, tablets and laptops. This service offers our customers the convenience of fast, reliable, indoor, wireless internet access, so they can access the web, download music, games, entertainment and apps.

We also have USB and power for you to charge your devices in the Food Courts.
