

Local Business Support Program

Provider Agreement

About the program

The Western Renewables Link (WRL) Local Business Support Program is a partnership between WRL and Commerce Ballarat, providing free one-on-one support to eligible local businesses along the WRL route to build capability, strengthen business readiness and prepare for future opportunities. Commerce Ballarat connects participating businesses with suitable local support providers matched to their business needs and goals.

AGREEMENT

Commerce Ballarat agree to:

- Payment of \$250 per hour plus GST, capped at 4 hours per business.
- Match eligible businesses with providers

Provider agrees to:

- Providers may invoice up to 4 hours of training/support per business, as per the time allocated by Commerce Ballarat. Time sheets will be required and only the hours utilised may be invoiced. Some businesses may require less than the allocated time.
- Service can be offered online or in person. (Preferably in person)
- Providers must deliver the requested training in the allocated time frame. Where businesses would like additional support, providers may negotiate further support at an agreed rate with the business.
- Providers agree to deliver the highest quality mentoring possible and may not use the opportunity to upsell their own business/product/service unless specifically requested by the business.
- If at any point you feel as though you cannot provide what the client has requested, you must refer them back to Commerce Ballarat for referral to another provider.
